

AFOTEC

AIR FORCE OPERATIONAL TEST AND EVALUATION CENTER

Pikes Peak Small Business Outreach

**Sherry Freeman
Director, Small Business
Air Force Operational Test
and Evaluation Center
(AFOTEC)
6 May 2004**

Mission

We assess the capability of new systems to meet warfighter needs by planning, executing, and reporting independent operational evaluations.

From concept development through systems employment, we provide effectiveness, suitability, and operational impact expertise in the battlespace environment.
